Experienced and passionate TV & Broadcast Director with over 27 years of expertise in directing high-profile international events, live television programming, concerts, and sports broadcasts. Proven track record in managing international broadcast teams, technical decision-making, and complex project management. Over the past 7 years, I have been extensively involved in directing major forums and summits in the Middle East, working as TV Director and Broadcast Director for world feeds. Adaptable, creative, and rigorous, with the ability to work effectively with diverse multicultural teams. Currently available for new projects.
